Mr. N. L. N. Rao, Esq., B.A., B.L., CIE
Dewan of Mysore,
Public Offices, BANGALORE.

Sir,

(1) We have received from the A.R.P. Controller, Mysore City copy of the following Government Order datted the 9th December 43.

"On further consideration Government direct that the entire A.R.P. Establishment in the Cities of Bangalore and Mysore (paid and unpaid) may be disbanded from 1-1-1944. The Inspector General of Police is requested to take necessary action as immediately so as to bring this order into effect from the above date."

We rejoice that the acuteness of the danger to meet which the A.R.P. Establishment was organised has ceased to exist. We recognise also that it may, in the circumstances, be unnecessary to continue the A.R.P. force as such, but we note with regret the absence of a single word of acknowledgement or appreciation of our services. You are aware with what fervour the citizens of Bangalore and Mysore responded to your call for A.R.P. service. The spontaneous enthusiasm which was manifested by all concerned at the inaugural parade held by you in Mysore is, we trust, fresh in your recollection as it is in ours. The same high zeal for service still animates us strengthened by the discipline and training which we have undergone, and the feeling of comradeship arising from team work and common ideals. This disciplined spirit of patriotic service is an asset of incalculable value, for though the danger of air raids be happily over there is still much public work to do, such as dealing with the food situation, and the problems arising from the present stress and future post war relations. We are anxious, therefore, that the spirit of service which transcends petty communal or sectional interests should not be permitted to languish and die of neglect, and we feel confident that Government will view with sympathy any proposals to commemorate the A.R.P. and to keep alive the A.R.P. spirit.

In the first place permit us, Sir, respectfully to say that a word of appreciation of our services which were not inferior to similar services anywhere else in India, will be most gratefully received by us. We beg you therefore to meet the A.R.P. personnel at a parade and honour them with a few words of good-will and appreciation. We would venture to suggest also a brief appreciatory notification in the gazette.

3) Our second submission is that an A.R.P. Club may be inaugurated with membership open to all who participated in the organisation. This would be an appropriate way of commemorating the A.R.P. and keeping alive the selfless and patriotic spirit which animated

animated that body. Such a club would constitute a convenient medium through which Government could mobilise again civic co-operation if ever there should be need. The club would also celebrate an annual A.R.P. day and organise lectures and debates on subjects connected with civic life and duties. We propose that the club may be inaugurated under the auspices of Government and presented with a Sannad of recognition. For its activities the A.R.P. Club might be given an annual grant of Rs.500/= and accorded the privilege of having its office in the National War Front Chamber of the Exhibition Buildings and of holding its lectures and annual assembly in the big hall of the same buildings.

4) We wish to make a submission, on behalf of the paid personnel of the A.R.P. who have worked with zeal and loyalty. The disbandment leaves them, so to speak, in the air. We submit that a list of these unfortunate people may be distributed to the heads of the various offices, specially the Municipal and Food Control offices, with a direction that whenever possible their claims for suitable posts may be preferentially considered.

5) We regret to bring to your notice that a large number of small money claims to various members of the A.R.P. personnel remain unattended to. In ordinary circumstances this is hardly a matter of importance enough to be brought to your notice but since the organisation is itself being terminated there is a danger of these just claims being lost sight of altogether, if not satisfied now.

27th April 1944.

The Chief Secretary

to the Government of H.H. the Maharaja of Mysore,
B A N G A L O R E.

Sir,

At a public meeting held on Tuesday the 21st March 1944, which was honoured by the presence of the Dewan and the Minister for Education, it was resolved to constitute a Citizens' Association to be designated "The Mysore A.R.P. and Civic Club" with the object of perpetuating and fostering the esprit de corps and the exalted ideals of loyalty, patriotism and public service which inspired the late A.R.P. Organisation. I enclose herewith for submission to Government a copy of the Proceedings of that meeting and also the resolutions passed at the business Session with which it concluded. I particularly request kind reference to the Dewan's very gracious remarks on the occasion. He warmly approved of the constitution of such a Club, and at our request agreed, on behalf of himself and his colleague, the Minister for Education, to honour the Club, when formed, by becoming its Patron and Vice-Patron respectively. He also promised sympathetic consideration by Government of any representations which the Club might submit for help in achieving its objects.

At the Business Meeting it was resolved to pray Government to grant us the following concessions:

1. Recognition of the Club, and the supply to it, free of cost, of all Government Publications for being placed on the Members' table.
2. Permission to hold the Office of the Club in the Exhibition Buildings, and the General Meetings and lectures and other functions in the central hall of the same buildings.
3. An annual grant of Rs. 1,200/= to enable the Club to employ a clerk and two peons and to celebrate the annual A.R.P. day in a fitting manner.
4. To hand over the furniture and equipment, both office and technical, of the late A.R.P. Organisation. Of course, these will continue to be Government property on loan.
5. Instructions to the Department of Government to render all reasonable help, and specially to the Medical and Educational Departments and the City Municipality to help in organising First Aid Classes and lectures.

At the first meeting of the Managing Committee which was held on Thursday the 20th April 1944 I was elected President, and as such was authorised and directed to submit this representation to Government for the grant of those concessions.

This Club, formed and inspired with the high Civic ideals set forth in the Proceedings of the Inaugural Meeting, is bound to

be an unfailing reservoir of patriotic spirit and public service, on which Government may depend for co-operation in all circumstances. It will also serve as pioneer and model for wholesome Social Organisation. We venture to think that we may without presumption approach Government for the concessions specified above and I beg you to move Government for early favourable orders.

I have the honour to be,
Sir,
Your most obedient servant,

PRESIDENT
The Mysore A.R.P. & Civic Club.

organisation and the citizens of Mysore held in the
Rangacharlu Memorial Hall in the forenoon
of Tuesday the 21st March 1944.

The meeting assembled at 9 a.m. Prādhana Sirmmani N. Madhava Rau, Esq., C.I.E., Dewan of Mysore, J.Appaji Gowda, Esq., Minister for Education and Messrs.C.M.H.Ranajodha Singh, R. Ramachandra Rao Bhombore, Rao Bahadur M.Ramaswamy, F.C.Devaraja Urs, Mohamed Khalilulla, Rajasevasakta M.Rama Rao, Dr.V.Gopala Swamy, Mrs.L.P.Krishnappa and over a thousand other citizens including an appreciable proportion of ladies were present.

On behalf of the A.R.P. Organisation Rajasevaprakashta Mr. N.Rama Rao, welcomed the Dewan and the other distinguished personages present and read an address explaining the purpose of the meeting. He said that the meeting had been convened with the object of organising a broad-based Association which should include not only the members of the recently disbanded A.R.P. but all citizens irrespective of sex, creed, or occupation animated by the same high ideals of loyalty and patriotism for public service. In this association or Club every phase of civic rights should be represented as far as possible. Lectures by local experts and distinguished visitors, cultural studies, athletics and sports would be some of the prominent activities and there would be sections in which training for First Aid, Fire Fighting and Rescue work would be given. The principal event would be the celebration of an Annual A.R.P. Day with socials, sports, worship and prayers in temples, mosques and churches and demonstrations of fire fighting, first aid and rescue work.

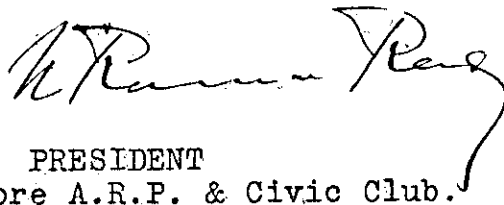

He would beg on behalf of the convenors and the public, the Dewan to be pleased to be the Patron and the Minister for Education to be the Vice-Patron of the Club. He also prayed for certain concessions from Government including an Annual Grant of Rs.1,200/= at least in the initial stages. He urged that an association formed with such high ideals would be a great asset and an unfailing reservoir of public spirit on which Government could always depend for the service of the State.

The Dewan rising amidst enthusiastic cheers made a suitable reply expressing his entire sympathy with the object of the projected association which was to preserve the fine Esprit de Corps of the A.R.P. Organisation and perpetuate and foster the loyalty, patriotism and capacity for selfless and disciplined work which characterised it. He spoke in generous terms of the willing and efficient manner in which the Public of Mysore responded to the call of Government for A.R.P. duty and he felt sure that the same spirit of readiness for public service would always be present in

the people of Mysore. It was a happy idea to form a Club for cherishing the memories of old comradeships and providing opportunities for new friendships based on the acceptance of noble ideals. Without going into particulars he assured the meeting that any definite proposals that would be submitted for the formation of a Club or Association of the sort outlined would receive the sympathetic consideration of the Government. Speaking for himself and for his colleague, the Minister for Education, he said that they would be glad to the Patron and Vice-Patron respectively for such a Club when formed, if that was the general wish of the Members.

At the conclusion of the Speech which was received with ovation, Mr.F.C.Devaraj Urs spoke expressing the thanks of the public to the Dewan and the Minister for their having honoured the occasion with their presence. The Dewan and the Minister then left the meeting.

This was followed by a business meeting for the purpose of constituting the Club and laying down the main features of the Organisation.

With reference to your letter No.W.2716 dated 24th May 1944, forwarding for remarks a copy of letter received from the President, Mysore A.R.P. and Civic Club, for handing over the equipment, furniture, etc., I have the honour to state that the cities of Bangalore and Mysore were declared as white areas and the A.R.P. organization was disbanded (Vide Government Order No.W.1484-91/W.124-43-6 dated 30th December 1943). The articles purchased in that connection were ordered to be kept in the Department for the present for being readily made available in the event of an emergency. Further, it is not clear why A. R. P. articles such as stirrup pumps, whistles with chains and rescue equipment are required by the Club when there is no need for A.R.P. exercises. It seems to me, therefore, that there is no need to transfer the equipment to the Club.

Dear Sir,

Re: The Mysore A.R.P. and Civic Club

The want of a place where we could meet and function is a serious obstacle to our growth and activities, and the gracious sympathy that Government have manifested in our objects and ideals encourages me to appeal to them again. When I was last at Bangalore, I was told that in case the Club could agree to render the entire premises available during Exhibition time, or whenever required for Government purposes, there would be no difficulty in allowing if the use of one or more of the rooms on the first floor of the ~~seems~~ Exhibition Buildings some what on the lines of the concession which is being extended to the National War Front Office.

I beg to assure you that we gladly agree to this and any other condition that Government may impose, and would be very grateful if our prayer for accommodation in the Exhibition Buildings is granted. We pray that early orders may be passed, to enable us to develop sufficiently to celebrate our Inaugural Club Day during the next Birthday festivities of our Beloved Sovereign.

Yours sincerely,

N. Rama Rao

Dear Sir,

Sub: The Mysore A.R.P. & Civic Club.

Permit me to invite your kind attention to my letter dated January 28, 1945, requesting you to obtain sanction of Government for allowing us the use of one or more ~~x~~ of the rooms on the first floor of the Exhibition Buildings for the purposes of the Mysore A.R.P. and Civic Club. The want of a place where we could meet and function is ~~x~~ proving a serious obstacle to our growth and activities, though we have now enlisted a fairly large number of members. We agree to render the premises available during Exhibition time or whenever required for Government purposes. The use of the rooms requested by us will be somewhat on the precedent of the concessions which is being extended to the National War Front Office. I beg to assure you that we shall gladly agree to any condition that Government may impose. I pray that early orders may be passed to enable us to celebrate our Inaugural Club Day during the next Birth Day festivities of Our Beloved Sovereign.

Yours sincerely,
